1.4.26
a Lesson in the University of The New Covenant
Theodore Cottingham, January 17, 2006 9:13am in van

1. Who will go with Me to the cross?
Who will go with Me to the cross?
Who will go with Me to the cross; the cross upon which they died.

2. See what I have said.

3. Who will come unto Me and see not that I am the cross, but that they choose their cross; and the cross is chosen by who; Father?

4. Yea into Me and see the cross not adhering to Me, *but I went through My cross.*
Where are you My friend/reader/listener?
Where is My cross and where is yours, and why do you believe Me, not, sometimes/many times?
Who are you and where have you come from and on whose cross are you participating in;
And why did you choose thus so;
And who can see the day of My/your/our appearing?
What will it be? Me or thee; or is there a difference?
Or were you in Me and I in you, and what difference does that make; cataclysmic; and what is cataclysmic? That which changes everything.

5. See what I have asked, answered, stated; and yea what is/are the difference/differences?

6. And who can see Me in Mine and who can come through what cross; seeing/being what door for others to see/follow?
What is your cross and when/where is it;
and how does it/will it affect your life;
Eternal life?

7. Dissidence/diffidence; different or the same?
Were you in My loins?
Am I yours?
Are you Mine?

Am I your door; or do you choose/look for another? I am the way, the truth and the life. What are you?

8. Who can come into Me and see Me for who/what I really am, all I am, all I have, and recognize their face in Mine; or how can that be; ultimate simplicity; ultimate covenant; ultimate grace; yea ultimate love.

9. Who can see/stand; stand in the day of My appearing in them? Wherefore shall what cross affect you and whose cross do you adhere to, or do you come through Mine? Am I not waiting; saying follow Me, follow Me, follow Me.
Follow Me where; to the cross to remain there, seeing Me crucified; to remain there praying, worshipping Me; or am I the door that I brought you to for this moment to see with clarity exceptional; stated in these words by simple; that what I did, what I am, you now can walk through?
I invite you.
I have your words, do you have Mine?
I *see* your thoughts; do you see Mine?

10. I have laid My life and all that I am, the Kingdom of one, before you.
What now do you choose?

11. What would you like to see; and is there any limit in Me; and if you think so, where is your freedom; and who is teaching you what, and giving you words from where; for what/whose purposes? My name is Freedom; what is yours?

12. What do you take and hand others everyday with your words? What do *you image with your motives:* viscosity, mired clay, dust that cannot rise and fly? Or are you dust or My brother?

13. Consciousness of one? Cataclysmic; and yea who walks/comes through My door adhering to their cross, not, but yea laying all down to receive, yea everything.

14. It has never entered into the heart of man what I have prepared for you: the fullness of I Am/Psalm 110; and who careth to know its meaning; and who will delve into, explore, investigate and become adventurer with One; one who opens the everything of everything, to all surrendered.
I love you.
I give you Me.
I give you this day.
I give you grace and glory.
I give you power, might, and authority;
And what are you doing with your kingdom; building it for others to admire; reveling in your hall of mirrors; deception deceived and bringing forth its own children; webbed/mired clay; and who are you doing what with Zion; no merciful?

15. I come to you this day; I call your name.
I ask you to consider Me in newness; the newness of I Am;
The newness of grace and mercy; the newness of My kingdom
Offered before you, and I am the door.
I am the light and the life and I offer you eternally more.

16. I get more specific in the days to come and who can stand/fall away?
Who will stand closer and closer and who will stand farther away and muffle their ears and tear their garments; yelling obscenities to their own kingdom that truth comes to?

17. Who will stand and who will fail; who will fall and why; and whose webs cause/create what dimensions; and *what is thought? Zion.*
Where am I you and why aren't you Me?

18. My specificity increases; and who can stand the scalpel of truth; who wants it; who wants Me?
Who wants My appearing in them?
Who wants to investigate, talk with, adventure with, their Maker?
I surrender; what you?

I give you this day.

I smile.

19. I strengthen My glorious ones to come into the kingdom with perfection, without fail, with no darkness, no deceit, no deception, and no dimensions.

20. See what I have said and declare My love for My beloved; My beloved who I speak to this day and increasingly, piercingly; with the gold and currency of My kingdom; transparent surrender.
I love you.
I give you Me;
Gardens of only Me;
Masses of only Me;
En masse.
I love you.
I love you.
I love you.

21. Let's roll; rolling into multiple dimensions; not staying there, but yea seeing/operating dimensionlessly in all My kingdom before the surrendered.
Thank you.

22. Man of one; surrendered to what My grace created; My hand/My form; yea you are with Me, you were with Me, and now once again complete; *we show My kingdom and we invite all to enter.*
I love you. Good day.
